Wounded Warrior Ride

The Wounded Warrior National Soldier Ride took place on 22. Close to 50 Wounded Warriors from the current conflicts in Iraq and Afghanistan took part in a rehabilitative bicycling ride. This is a part of the Wounded Warrior Project’s National Soldier Ride. These Warriors came in from all parts of the country. These brave Warriors rode on specially adapted bicycles on the Shining Sea Bike Path. The ride started in North Falmouth. They rode the distance of the bike path to Woods Hole and then returned to North Falmouth for a 22-mile ride. From the Cape the warriors go to Boston to take part in the Boston Community Ride on Saturday.

For the past two years the Falmouth Track Club has been there. This year we had one brave volunteer who cheered with the group from Falmouth Academy.

Each year the public is invited to cheer on the heroes while they are in

Cape Cod Marathon Half
Saturday, October 29, 2016 7:30 AM Start, Falmouth Town Square, Falmouth
The Cape Cod Marathon Half race course is a fast and scenic route that hugs the Falmouth coastline of Nantucket Sound. Designed to maximize runners’ view of Martha’s Vineyard and the beautiful waters of Nantucket Sound, this out and back course is limited to one hill. But don’t be alarmed—this one hill occurs at miles 3.5 and 9.75 and is over before you know it.

Cape Cod Marathon
Sunday, October 30, 8:30 AM Start on Main Street, Falmouth
The one-loop course begins and ends at the Village Green in Falmouth center. The first part is easy, the latter is a test. The people who do well on this course follow the following formula: go out easy, take plenty of fluids, and save energy for the hills. Although the course is not closed to traffic, it is run on secondary roads and monitored by the police and numerous volunteers.

Clam Chowdah Challenge
Take on the challenge of running both the half marathon and full marathon, there is nothing like it in the New England area! 39.3 miles over two days!!
13.1 Half Marathon Start Time Saturday, October 29, 2016 7:30 am – Town Hall Square, Falmouth
26.2 Marathon Start Time Sunday, October 30, 2016 at 8:30 am – Village Green, Falmouth

Women Moving Forward!
On Wednesday, October 5th, from 5:30 to 7 PM the women are taking over the weekly workout at the Falmouth High School!
What is on tap? Anne Preisig is a certified yoga instructor, Yale Graduate and Elite Athlete. She has been working with Sandra Blatchford and Mary Vanderlaske to create a night of empowerment for women.
It will include yoga, walking, running, empowering talks and more! There are two $30 gift cards from Marathon Sports that will be given away! There will be fruit infused water from Mary at Off the Coast Designs. There are some t shirts (limited number and sizes) that will be given away. Salming Shoes has donated a running visor, socks and other items for give aways! There will be some blank shirts that can be turned into empowerment shirts!
More important than those things is YOU! Come and bring young, old, in shape, want to be in shape and all other girls, women, mothers, grandmothers, sisters, aunts and friends! See you at 5:30!!
Runners laced up their running shoes this past Sunday for the 34th running of the Main Street Mile. The new course started next to the Quarterdeck continued down Main St. turning right on Shore and finishing on the beach at Surf Drive. Lee Greenhouse from Egertown won in 4:51. 2014 champion Sagamore’s Rory Jenkins finished second with a time of 4:58 followed by Falmouth’s own Caleb Gartner in 5:05 improving his time nearly 30 seconds faster than 2015. Last year’s winner Joshua Curtis of Worcester finished 4th.

On the women’s side Amy Knoblock of Sagamore Beach captured the women’s title in 5:56 followed by Kate Green of Albany, NY (6:02) and Falmouth’s own Ainsley Ramsey in 6:06.

The race was started in 1981 by mother’s of the cross-country team to raise money for the Falmouth High boy’s team. The Falmouth Track Club later took over the race which continues to promote youth running programs and offers scholarships to high school students involved in track and cross country.

Division winners included Marc Djikhev, Elise Casso, Henry Gartner, Elizabeth Janes, Zane Otter, Kate Delany, Matthew Delany, Pree Vaidyanathan, Joshua Curtis, and Joanne Jack.

All finishers 18 and under received a 34th running medallion provided by a grant from the Falmouth Road Race and some lucky participants received raffle prizes including two children, which won bikes from Dr. O’Malley from Cape Cod Sports Medicine. The race was sponsored by Wood Lumber, The Quarterdeck Restaurant, Marathon Sports in Mashpee, Sports Center Physical Therapy, and Jack and the Beanstalk.

The Friday Night Run was started in June of 1997 and thanks to Ryan Waite...we figured out the one thousandth running of the event took place at the end of August. The event was the idea of Courtney and Carolyn Bird and myself.

At the time I would drive to Hyannis every Friday night to participate in the Hyannis Friday night run which was founded by Kevin Petrovek of Hanlons Shoes. Their run was very popular and followed a nice loop through Hyannis and Hyannisport. It did start and finish outside Hanlons Shoes on Main Street. The start was ok. We just waited for the green light and went. The finishes were a little scary at times because we just essentially were running full speed down Main Street and ran through the traffic lights no matter what color they were.

I told Courtney and Carolyn about the event and we decided we would start our own version. We hashed out a number of different routes before deciding on the present route we have now. It actually is a loop that starts and finishes at the same spot....something that is very hard to do. The course has been wheel measured forwards and backwards and is an accurate five miles. We recognized there was no sense in messing with a good thing so we used the same rules Kevin had for the Hanlons run....runners could run the course any time during the day if they wanted to and just call their times in.

Originally the Quarterdeck was the sponsor of the event and it was called the Quarderdeck Five for many years. The male and female winners were awarded a free beer at the bar, but to be honest very few of those beers were cashed in because we ran so hard back then drinking a beer was the last thing we wanted. Later, the Quarterdeck asked their name be taken off the event due to reasons involving liability and the event had no name for a while until Coffee Obsession stepped forward as a sponsor. They provided water in the summer and hot cocoa in the winter for many years.

At the start Courtney, Carolyn, and I ran every week for over a year without missing any until we all finally ended our streaks after a while due to various reasons. Currently, Mike Ouimet has the consecutive Friday night record. His streak is still active.

Essentially the race has gone off every Friday night at 5:30 since June of 1997. We did cancel it once due to personal reasons but 15 runners still showed up and ran it. Another night the state of Massachusetts closed all its roads due to a blizzard and announced you could get fined for driving on the roads if it was not an emergency, so we officially cancelled the race for this as well and yeah...you guessed it...6 runners showed up anyways and ran. So, I guess the consecutive Friday streak is still going. One year when Friday fell on Christmas it was Brian Nelson who showed up solo to run the race. One night about ten years ago we were hit with a terrible cold windy monsoon storm. I showed up at Town Hall Square and sat in my car until 5:35 and no one showed up. I decided to just pack it up and drive home but passed Paul Hartel just pulling in, so I turned around and the two of us set out together to battle the elements.

Through the years we have run through wind and rain and cold down to zero, wind chills below zero, heat and humidity, etc. We have skirted downed power lines, we have pushed out cars stuck in the snow on several occasions, we have rescued lost dogs, and even our own lost runners. We had a guy end up half way to Woods Hole one night, we had a young kid end up in Falmouth Heights.

Most importantly we all have met a lot of nice fellow friends and runners through the event. For many, many runners it was the way they joined the Falmouth Track Club. Many summer people I know race to the Cape on Friday nights in order to make the start of the run, some from as far as New Jersey. We have runners who come from an hour away off Cape and down Cape to run. David Farrell used to drive from Rhode Island almost every week to run and then drive back home again after.

Celebrating 26 years of any charitable event is a very special milestone and this one is no different for each of us on the Falmouth Walk Committee. Every year we continue to thrive due to the generosity of local businesses and friends who have made either a monetary donation, provided a gift certificate or item for our raffle and auction, volunteered their services on the day of event and perhaps even registered to participate in the Walk itself. Crossing the finish line in 2016, on a sunny and relatively cool Saturday morning in August, were 685 walkers who then enjoyed the music and festivities on the lawn at St. Barnabas Church. Thanks to the overwhelming community support, we are excited to announce that we are able to donate $30,400 to nine Falmouth-based nonprofit organizations.

CHARITIES SUPPORTED BY THE FALMOUTH WALK:
The Falmouth Military Support Group, Haven for Healing, the Ellen T. Mitchell Scholarship Fund, Falmouth Service Center, Around the Table Meals Program, Falmouth Senior Center, Falmouth Housing Trust, People for Cats, and the Preventive Partnership at Gosnold.

Some improvements made, with excellent response, this year include: the initiation of an online registration process which helped to ease the congestion at The Quarterdeck and with the organizing the t-shirts ahead of time; the use of two hand-held credit card processors which notably reduced the completion time needed for each registrant; an email campaign which showed a strong “open rate,” and promises not to send more than four emails per year; the creation of a new website which shows over 25,000 page views since February; and a new Facebook page to increase our online social media presence.

We are already in the initial planning stages for another Comedy Night in the spring to benefit the 27th annual Falmouth Walk which will be held on Saturday, August 19, 2017.

Want to join the Falmouth Walk Committee? This nonprofit organization is staffed fully by volunteers and we are looking for a few new members! There are approximately six one-hour meetings throughout the year. Be a part of a great group of people who are all in it for the same reason: to give back to our community. The fall youth running schedule is as follows, no one has to do all of these events but these are the events available. The New England Junior Olympic race on November 13th is the main event of the season, we hope to field as many teams as possible for this event and for those ages that we cant field full teams the kids just run as individuals for the club. This is a youth cross country race that has separate races for boys and girls in two year age increments. The top 30 runners and top 5 teams qualify to move on to the regional meet the next week.

Please contact Ken Gartner (kj.gartner@comcast.net) if you are interested in running this fall, everyone will need uniform singlets to wear and we will place an order very soon.

We will be practicing every Wednesday as normal with possibly added workouts during the week as necessary.

October 9 - Wayland XC Festival, Wayland MA ** USATF-NE GP race
October 23 - Boston Mayor’s Cup, Franklin Park ** USATF-NE GP race
October 30 - Cape Cod Marathon Relay (we will field several youth teams)
November 5 - 8th MA Middle School Invitational, Devens MA
November 13 - New England Junior Olympics, NH
November 20 - Region I Junior Olympics, Adirondack Association NY
December 10 - USATF Junior Olympic Nationals, Hoover AL
